Hi Meg,

Thanks for hosting the call today and for sending the invite for tomorrow. Please find attached the publication that Richard Brain discussed during the meeting. We would be happy to answer any questions the team may have related to this.

Hope you have a great evening,

Hello Monty:

As I believe Dan Kenny has already informed you, I've reserved time from 2-3pm tomorrow for another joint dicamba registrant meeting, this time focusing on label mitigation ideas.

I will be sending you a meeting invite momentarily. Please forward within your company as appropriate and email me a list of your expected participants.

Best regards,  
Meg
